## DEDICATION

Herschel Morgan

## In Memoriam

Shock and grief spread over the entire school and community when we learned of the going away of Mr. Morgan.

He had been a faithful laborer in our midst. He was loyal to his students always speaking of them as our boys and girls. He spent the major portion of his time in behalf of the children who later mourned his passing.

We all feel that life has been made more worth while by having known Mr. Morgan.

If our departed friend and educator could speak, he would use the words of that great poet, Tennyson.

The Crossing of the Bar  
Sunset and evening star,  
And one clear call for me!  
And may there be no moaning of the bar,  
When I put out to sea.  
But such a tide as moving seems asleep,  
Too full for sound and foam,  
When that which drew from out the boundless deep,  
Turns again home.  
Twilight and evening bell,  
And after that the dark!  
And may there be no sadness of farewell,  
When I embark;  
For tho' from out our bourne of time and place,  
The flood may bear me far,  
I hope to see my pilot face to face,  
When I have crossed the bar.

We the seniors of 1948, wish to dedicate our annual to the memory of our friend and teacher — — — Herschel Morgan.

## FOREWORD

With a strong desire and earnest thought we the class of '48 have attempted to portray within the covers of this book our fellow students and teachers as they progress onward through the school year leaving their mark of friendship and love upon everyone they meet.

It has been with earnest and tiring effort that we have completed this book under the masterful direction of Mr. Penrod. We have striven to portray to you the long list of organizations and activities of our school during the past year.

A book, that today is a source of pleasing entertainment; tomorrow, it will hold a greater and deeper importance. Its likeness will describe a new message of pleasing memories and happy remembrances, which will have been made dearer by the passing of time.

## WE THE GRADUATES

Once again the curtain of time has fallen, and it is time for another class to graduate. This time it is our class. We take leave of dear old Royerton with a mixed feeling of joy and sorrow combined.

During the last twelve years we have learned to work and play together. We shall cherish many beautiful memories of our stay here.

To our parents and our teachers, we wish to express our sincere appreciation for your untiring efforts spent in our behalf. May we, now in turn, find our places in the community and start paying our debt by helping other boys and girls.

To the students of Royerton, as we leave you, may we wish you the very best. We sincerely hope that your endeavors in school will prove to be as enjoyable and profitable as ours have been. We will be backing you to reach newer and higher planes of achievement.

## PATRIOTISM

It was a beautiful picture to behold the Senior Class of Royerton on the morning of September 5, 1947, as they stood at the foot of the colossal Statue of Liberty on Bedloe's Island, New York Harbor. Many of the members of the class may never have this opportunity again. However, may each boy and each girl resolve to live a life endeavoring to spread liberty, justice, and peace to all mankind. Let us hope that it will be possible for us to realize the meaning of what the father of one of the Senior boys meant when he said to his son, "You may have seen the Statue of Liberty, but I tell you son, it meant more to me than anything in all the world when I returned from World War I."

Do we Americans really appreciate our freedom?

We sincerely hope all the rest of you boys and girls of Royerton may have this grand privilege.

# FRESHMEN

## FRESHMEN HISTORY

We, the freshmen class of fifty-one, started in the first grade with an enrollment of ninety-four, in the year of nineteen thirty-nine. Now as freshmen we have eighty-one.

We had a class meeting and drew names for the Christmas exchange which is December 19th. December 30 we decided to have a skating party at Gaston to which we invited the public.

We are now planning our Biology trip to Chicago, but there are quite a number of things to be talked over.

The freshmen class is very proud of our freshmen team. They have played two and lost one. There are three players off the team at present and it is a great loss to us and our team.

The freshmen G.A.A. are to be initiated the week after we are back from our Christmas vacation.

Everyone has cooperated and we are sure it will be a very successful year, and the years to follow.

## EIGHTH

At the beginning of the 1947-48 school year there were 86 students in the eighth grade. Since that time we have lost the following members from withdrawals: Cottar Elkins, Evelyn Jett, Billy McDonald, Evelyn McHenry and Max Mullins. We have also gained three new members. They are John Colsten who was transferred from the seventh grade, David Battas who formerly attended the Eaton School, and Jerry Swartz who was a former Royerton student and who attended Blaine school during the first part of the school year.

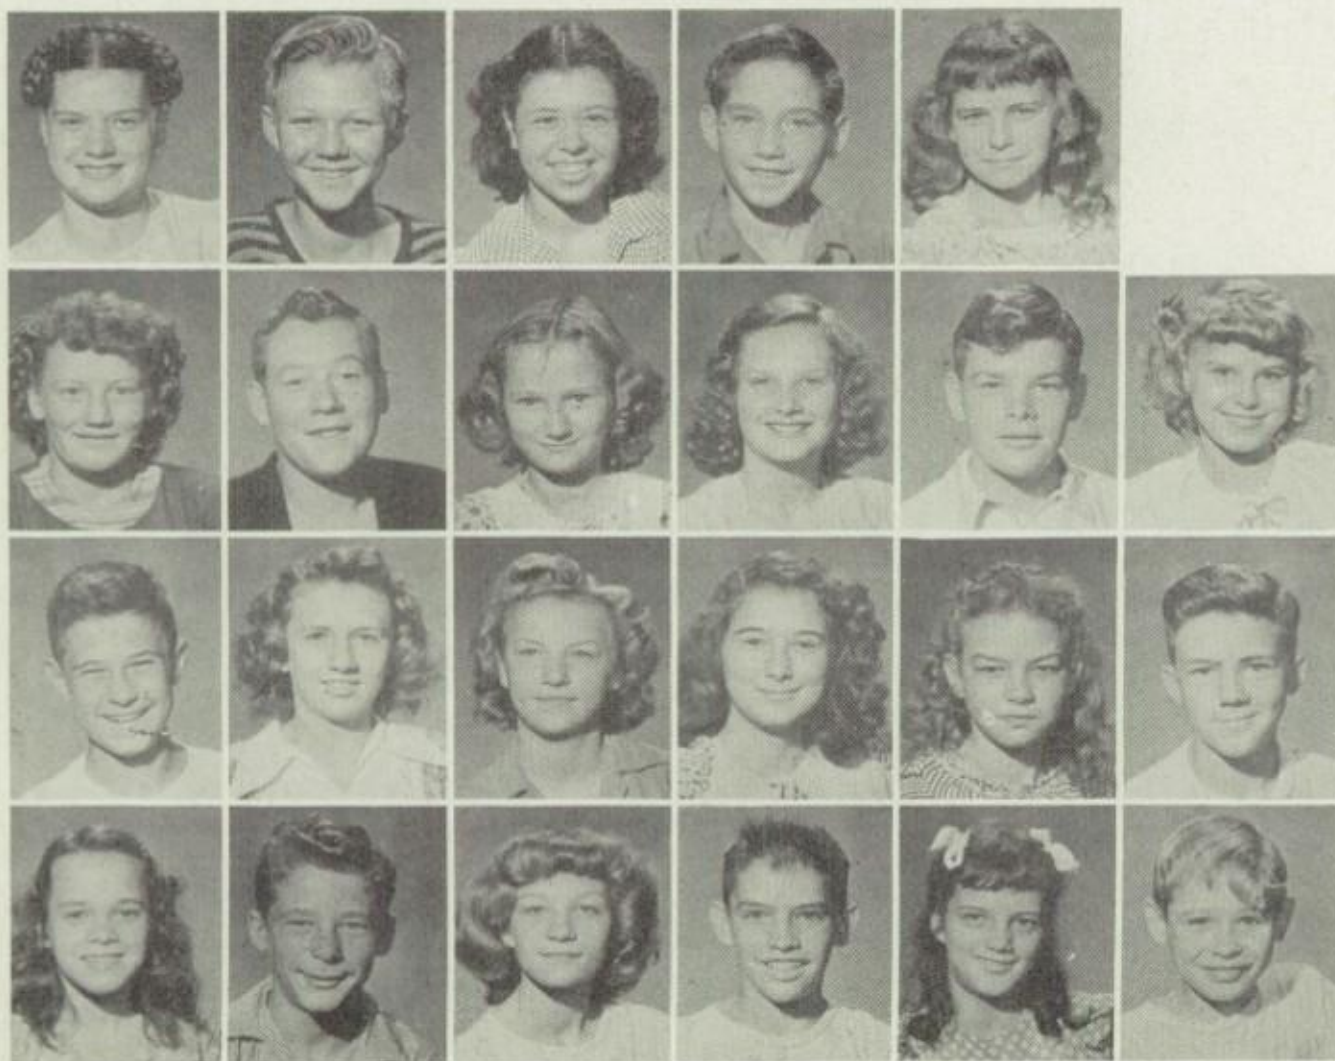

The teachers who were appointed as sponsors to assist the class in their activities of the year are Mr. Dutro and Miss McCosky.

On the afternoon of December 10, 1947 the class enjoyed their first party. There was a movie "The Courageous Mr. Penn." At the close of the party, refreshments were served.

## SEVENTH GRADE HISTORY

At the beginning of the year this group assembled for the first time as one class. They looked to Mrs. Brinson and Mr. Gantz as their sponsors. There were many questions to be answered and special guidance given before the new schedule became a working program for the group.

Early in the term it was agreed to pay class dues of 10c per month. This money was to be used for class parties of which the group have one each semester.

The average enrollment is 90. The withdrawals have been Albert Cummins, Jack Reynolds and Thelma Pember-ton. The new members to the class are Charlotte Rousch, Laura Spencer, Wilma Runion and Sylvester Cooper.

### FOOTBALL

This was Royertons first year in football, we had a very successful season with Coach Perry Bixler and Mr. Charles Posey as Assistant Coach. The team played the Sophomores of Muncie Central two times. Both games were won by Royerton, the first by a score of 6 to 0 and the second also by a score of 6 to 0.

### BOYS INTERESTED IN TRACK

### TRACK

For the last two years the Royerton track team has won the county track tourney. Last year we came through with a total of seventy five points. Our closest opponent had only forty two.

Pictured above are the prospects for this year's track team. We think that they stand a good chance to bring home the county trophy again this year.

### FRESHMAN BASKETBALL TEAM

### CROSS COUNTRY

This was also Royertons first year in cross country running with the help of Coach Brown and much hard work on the part of the boys we won a good percentage of our meets. We also placed third in the sectional meet at Anderson defeating larger schools such as Muncie Central, Marion, Kokomo, by a large margin.

Twelve years ago, several members of our class entered the first grade at Royerton. Since that time we have lost many of our classmates to other schools. A few of our present members have joined us in recent years. Each of us has spent at least one year under the guidance of Mr. French; several of us have spent our entire twelve years under him. We all find that we owe him more thanks than we can ever express.

## OUR APPRECIATION

As the faculty advisor for the Royerton Year Book, I would like to express my sincere appreciation to all who have helped make the "Enchanted Forest Edition" of the 1948 Panorama possible.

We, the members of the Royerton school wish to thank the following people:

The members of the Journalism Classes who have spent many hours in preparing and organizing the material in this book;

The members of the entire Senior Class for the fine way in which they have handled the finances of the school annual;

The business concerns of our community who have backed our endeavor by purchasing advertising in our year book;

The faculty who have been so patient with us in giving time for the taking of our pictures;

To the Owl Drug Store for furnishing us our Camera Supplies;

The People's Studios for developing our pictures;

The Senior Class of 1947 who presented us our fine camera, making it possible to use more pictures in our book;

The Delaware Engraving Company who has helped us without any reservations;

To Mr. Sutton of the Engraving Company, we express our sincere appreciation for his interest in our book.

Without the assistance of any one of these groups, our yearbook would have been impossible. To you the purchasers of this book, we hope that you will enjoy the presentation of life in Royerton as given here. May your Panorama become more precious to you with the passing of the years.

The Annual Sponsor,  
Lloyd G. Penrod
